

2021-2022 Affiliation Guide

Hey, NACURH! We are so excited that you are looking into affiliating your institution or NRHH Chapter for the 2021-2022 affiliation year!

Our affiliation process has developed over the years to turn into what it is now. We have done our best to simplify this process and make it easier on all parties involved. Having said that, we recognize that this process is always new to representatives and advisors who maybe have not gone through it before or seen our updated version of all things affiliation.

This guide is intended to help you make sure you have everything you need to know to become properly affiliated. Let's start with membership types.

Membership Types

The type of membership you are seeking will change the cost of your affiliation process. All membership types and details can be found in the chart below.

Membership Type	Description	Cost	Subscription
Full Membership	Access to all NACURH Services.	\$130.00	1 Year
New Affiliate Membership	Designed as a trial membership with NACURH. Made available to schools seeking membership for the first time within a three-year period.	\$45.00	1 Year
Partial Membership	Partial Membership allows for access to all NACURH services not including Regional services. Partial Membership shall only include schools located outside of the North American continent.	\$80.00	1 Year

Affiliation Census Questions

To affiliate your institution, we need to collect census information. This is the main portion of affiliation.

If you are unable to access jotform, please email chair@nacurh.org to obtain an alternate method for affiliating.

If your institution has both an NRHH chapter and an RHA (or equivalent), you will need to fill out both census forms. Make sure your NCC and NRHH representative are communicating on who is doing what within these processes, and keep your advisor in the know as well.

If your institution only has an NRHH chapter, you will only need to fill out the NRHH census/affiliation form.

Payment

After filling out the census questions, payment will be the final step of your affiliation process. Payment can be completed on the second form at the bottom of the affiliation page. Credit cards are accepted through that form, and instructions are listed if your institution is mailing a check. Invoices are automatically generated when you fill out the form. If you have any questions or issues regarding payment, please contact the NACURH Associate for Operations at: nao@nacurh.org
